ABOUT LE CHAMBARD US FIRST AND FOREMOST FAMILY HISTORY-----

Between Alsatian vineyards and Vosges balloons, Le Chambard is first and foremost a family history, that of the Nasti. Since 2000, Olivier and Patricia, a couple united by the taste to receive and share, perpetuate the rich hotel history of an eighteenth house in the village of Kaysersberg. The Chef directs Olivier Nasti's La Table's kitchens, while his wife, Patricia, welcomes guests to the restaurant where copper and silky fabrics create a baroque atmosphere: pure and contemporary lines for the hotel's rooms and spa, the couple brought to this house his extra soul and reserve the hosts a warm welcome. Alongside them, Jean-Baptiste Klein - who has just won the title of Meilleur Ouvrier de France Sommelier - supervises the cards of Olivier Nasti's Winstub and La Table, for which he quickly created a real complementarity. www.lechambard.frHANGAR-7 / IKARIUS www.hangar-7.com/en/restaurant-ikarus/ikarus-concept/-----
